# Help us get new furniture for our silent reading area in the Library!
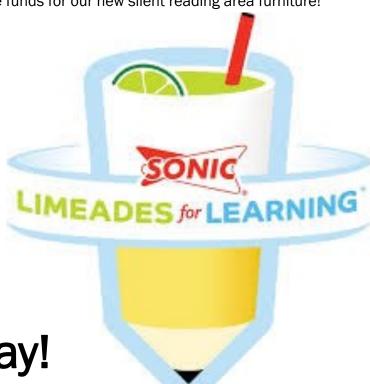

## How to Help

Visit Mrs. Jackson's project on Limeades for Learning at the following URL and vote!

https://www.limeadesforlearning.com/projects/1301403

If you have a Facebook or Google account, you can use that account to log in to Limeades for Learning and earn extra votes. Share to Facebook, Twitter, Pinterest and your friends' emails for even more votes! The more votes we get, the better the chance that Sonic will fund the project and donate the remainder of the funds for our new silent reading area furniture!

If you visit Sonic and make a purchase, you'll get a special code for Limeades for Learning. Enter that code on the Limeades for Learning website to give the Library project two votes!

## Vote Everyday!
